DEAN BILL WAS BEATEN BY HOUSE TUESDAY

The Galleries Were Packed To Capacity

(By United Press.)

Columbus, O., Feb. 21.—(Spl)—The Dean bill was beaten by a vote of 61 to 55 when it came to a vote late Tuesday.

Representative Frick voted for the bill.

Columbus, O., Feb. 21.—With every member of the house except Representative Billigslea in their seats the house this afternoon defeated the Dean bill 61 to 55.

The balloting began at 4:52.

Among those voting for the bill were Battefeld, of Crawford; Day of Ross; Frick, of Scioto; Fulton, of Licking, and Kennedy, of Allen.

The wet advocates said the Rose law gave the drys two votes to the wets one and that it brought the saloon into the home. They also asked where the drys were getting the money they were spending.

The dry speakers said the liquor interests were trying to force saloons on the people who did not want them, that union labor was against the Dean bill and its passage would be an admission that the people of Ohio could not enforce state law.

Columbus, O., Feb. 21, 4:40 p. m.—Arguments were still going on at this hour on the Dean bill. Members waxed hot in presenting their sides of the debate and brought out every point that might count in the final vote on the bill. Already 12 or 15 have spoken and there was no indication at this hour when the house would be ready for a vote.

No amendments have yet been presented. Blake.

Columbus, O., Feb. 21.—(Spl.)—Alexander of Hamilton, made the opening speech of debate, speaking for the bill. He was followed by Guard of Champaign, speaking against it.

Two members were absent when roll was called, Billingslea of Butler, who is ill and Canty of Hocking, both wets. Canty was expected here at 2:45.

Dean says the bill will have a majority of three. It takes 60 to pass it.

The vote on the bill will come late.

LIQUOR BILL REPORTED

(By Associated Press.)

Washington, Feb. 21.—The ways and means committee of the House reported favorably the bill increasing the allowance made by the internal revenue laws for loss of whiskey by evaporation during the ageing process in a distillery as the direct result of the deterioration of quality of white oak used for the barrels.

To Manage Hamilton

Hamilton, O., Feb. 21.(Sl.)—Jimmy Barton, of Newport, Ky., was today elected playing manager of the Hamilton team in the Ohio State League. He signed his contract today.

Work of selecting players will begin at once. Last year he was manager of the New Castle team in the O. & P. league and was formerly with the Brooklyn Nationals.

SAYS HUSBAND TOLD A LIE

(By United Press.)

New York, Feb. 21.—Testifying in defense of former State Senator Frank J. Gardner at his trial for attempted bribery, Mrs. G. W. Hall today said that her husband lied yesterday when he told of an alleged statement of Gardner's that the latter took $200,000 to Albany to kill the anti-racing bills.

Mrs. Hall claims she was present when Hall and Gardner met and the bill was not mentioned during the conversation.

Wertz Law To Stand

(By United Press.)

Columbus, O., Feb. 21.—Four members of the penitentiary probe committee today said that they favored suspending the Wertz anti-convict labor law for a year at least until employment was assured for all convicts. They made it plain they did not advocate the repeal of the Wertz law.

DOROTHY SAID TO HAVE BEEN KIDNAPED

(By United Press.)

New York, Feb. 21. Francis R. Arnold, father of the missing Dorothy today placed in the hands of District Attorney Whitman an affidavit containing the wife motion he says he received recently which convinced him that Dorothy was kidnapped on Dec 12th and subsequently murdered. He says he will spend his fortune to have her slayers punished.

Asst. Service Director George H. Schneider, who has been very ill with la grippe, was reported as somewhat improved Monday.

COX GANG PROBED IN HAMILTON CO.

(By Associated Press.)

Cincinnati, O., Feb. 21.—The grand jury resumed work Tuesday by calling the deputy court clerk and the stenographer who were concerned in the work of the grand jury of 1906 at the time of the drake investigation. The latter unearthed the fact that $214,000 had been paid in gratuities to former county treasurers. The money at that time was returned by the treasurer to the county.

The present inquiry, it is said, is an effort to trace the money illegally received by the treasurers, and to see if all of it has been accounted for.

After the Drake committee was knocked out as unconstitutional, the grand jury, under former Prosecutor Rulison, took the case up and three of the treasurers—Gibson, French and Hynicka—came in and admitted that they had received the gratuities from the banks and agreed to return it all to the county. They declared that they had merely been following out a precedent of years' standing, which dated back to the Civil War, when the county money was loaned out by the treasurer then, and a panic was averted, it was claimed. Under the settlement made, some $214,000 was paid into the county treasury, Gibson paying in $97,108.48; French $59,450 and Hynicka $58,440.

During the investigation before the Drake committee Vivian J. Ragin, formerly employed in the county treasurer's office, testified to having taken envelopes to the office of George B. Cox. Attorney Promme Morris, who was an assistant to Prosecutor Rulison at the time stated yesterday that Mr. Cox was called before the grand jury and emphatically denied ever receiving any of the money, and that when Ragin was called he denied that he had carried anything to Cox.

After the payment of the money by the three former county treasurers suits were instituted by Former Prosecutor Rulison against the banks and the other former treasurers to recover interest on the money from the banks and to recover the amount received as interest by the former treasurers. The suits against the banks were lost by the county, but the suits against the former treasurers are still pending, and it is expected that if criminal action results from the present investigation that it will reach back to these former treasurers as well, and if prosecution is contemplated under Section 12873 of the general code the banks might be also prosecuted as aiders and abettors, it is claimed.

Congress Is Asked To Protect Niagara

(By United Press.)

Washington, Feb. 21.—The American Civic Association is making a desperate fight to have congress extend the Burton act protecting the Niagara Falls from further spoilation by electric power companies. The Burton acts limits the amount of water the company can use but it expired June 29th. If the act is not extended at the present session there will be nothing to prevent the use of so much water that the beauty of the falls will vanish.

BUSINESS FEARS EXTRA SESSION

(By United Press.)

Washington, Feb. 21.—Accredited agents of big business are today bringing pressure to bear on senators to have the Canadian reciprocity bill passed without an extra session. Fear of the Democrats, and the effect of the extra session on business, is the reason advanced for wanting it passed.

Ralph Arz, an employe of the lasting department at the Selby factory, is a grip victim.

NEW YORK CENTRAL IS FIGHTING STRIKE

(By United Press.)

Cleveland, O., Feb. 21.—The New York Central brought 450 non-union boilermakers here today from Chicago to begin their attempt to break the boilermakers strike.

The officials announce that within a week they will have replaced the strikers all over the system. The strikers say that unless the road comes to terms within a few days the machinists and blacksmiths of the system will go out thus tying up all repair work.

Kansas City, Feb. 21.—The New York Central boilermakers strike will probably confined east of Chicago according to International President Franklin. He says they are ready for a long struggle and are merely demanding that the road abolish the piece system.

"Practically all of the boilermakers on the Lake Shore and Michigan Southern between Chicago and Buffalo are out," said President Franklin. "Fifteen hundred men are out now. The outlook for an early settlement of the strike is good."

BROKEN RAIL DITCHED TRAIN

(By United Press.)

Elko Nevada, Feb. 21—Twenty persons were injured, three seriously, last night, when Southern Pacific train No. 10, east bound, struck a broken rail and went into a ditch near Palisade, Nevada.

A report that many were killed caused many to rush to the scene only to discover a comparatively false alarm.

Seven cars left the rails. Among the injured was Frank Gray of Cleveland, O.

Uncle Joe Is Again A Czar

(By United Press.)

Washington, Feb. 21.—The remainder of the present house session will be a personal triumph for Uncle Joe Cannon. The gag rule adopted yesterday seems to give the Democrats the balance of the power but to move to suspend the rules a member must first secure Uncle Joe's recognition. The standpatters were wearing broad smiles today.

London, Feb. 21.—The government bill abolishing the veto power of the house of Lords was introduced in the house of commons today by Premier Asquith.

PRIVATE FIRM HELPED TO LAND SHIP CONTRACT FOR A FOREIGN NATION

(By United Press.)

Cleveland, Feb. 21.—A Washington special to the Cleveland Press this morning carries this important information:

"Two battleships more powerful than any in the United States' navy, are being built in this country for Argentina. The plans, drawings, naval secrets, patented devices and expert advice of our ing of the Argentine battleship naval constructors are all at the command of Argentina. This agreement was entered into by the state department in order to land the contract for the building of the vessels in America.

The chief beneficiary of these contract is Charles M. Schwab's Bethlehem Steel Co. Secretary Knox was formerly Schwab's attorney. Knox has declined to make any explanation as to why such an agreement was entered into by the state department, and refused to discuss the matter.

Once these ships are built there is nothing to prevent them from being used against us. They could be sold by Argentina as soon as finished. Two ships built in this country for Russia 12 years ago are now in the Japanese navy.

(By United Press.)

New York, Feb. 21.—Admiral Garcia, chief of the Argentine commission in charge of the building says it was through the influence of the state department that the contracts were given to America. He said:

"The United States minister, Mr. Sherrill, at Buenos Ayres, obtained a remarkable concession from your government. We are free to demand all information or expert advice that your navy possesses. We can also use your proving grounds to test our guns and have been allowed to place our naval officers aboard your ships to study your navy and methods. These new ships will be more powerful than any in your navy."

Pittsburg May Have A Street Car Strike

(By Associated Press.)

Pittsburg, Feb. 21.—Whether or not Pittsburg is to have a street car strike will be determined tonight at a meeting of union officials.

It is admitted that relations between the men and the company are strained almost to the breaking point. The trouble resulted over the dismissal of 139 employees last October. The union wants their reinstatement and the company says the men were not dismissed on account of the union but on account of lack of work.

Farmers Fighting Reciprocity Bill

(By Associated Press.)

Washington, Feb. 21.—Farmers registered protests against the reciprocity agreement before the senate committee on finance today.

Former Governor J. H. Bachelder of New Hampshire, master of the National Grange, opened the argument. He said he would be followed by the Master Granges of eleven states including Ohio, Indiana and West Virginia. He said they represented six million farmers ,who did not want free trade in farm products while protection was continued on manufactured articles which the farmers must buy.

T. C. Laylin of Norwalk, O., master of the Ohio Grange, followed Bachelder along the same lines.

"Canada has the jug and we have the handle," in the reciprocity agreement according to the masters of the granges.

They claimed the American farmer will raise a fearful howl if any agreement is ratified which will allow free tariff on farm products and a high tariff on manufacturers.

Mrs. W. T. McCarty, wife of Chief McCarty ,is still bedfast at their home on Robinson avenue but reported slowly improving.

No. 16 Delayed.

N. & W. passenger train No. 16 due here at noon was greatly delayed Monday by a derailment just as it was leaving the Union station shed in Columbus.

BILLY BUTT IN THE TIMES WEATHER MAN.

I say it's a bo'o' run to spring these cold snaps on th' unsuspecting public, but man falls a victim to his own gamo and has to sneeze it out along just like other mortals who ain't got nothin' at all to do with runnin' th' weather. That's my fix right now. But I think twice before I monkey with that hand wagon again. Here you are for tomorrow:

Ohio, Indiana, Fair tonight. Wednesday continued cold.

West Virginia, Fair tonight and continued cold Wednesday.

Local Boy In Control Of Medical Company

Another Portsmouth boy has come to the front.

This time it is Tom Nichols, son of Tom Nichols, retired carriage manufacturer. Mr. Nichols has just closed a deal in St. Louis, which puts him in complete control of the King Medical Company.

A hospital is operated in connection with the firm's plant, and there is also identified with the institution a staff of medical experts. It was an important deal and was swung solely by Mr. Nichols, who left Portsmouth eight years ago. He likes the Mound City and is happily located there, having a wife and two children.

The King Medical Company recently increased its capital stock from $25,000 to $50,000.

BUSINESS MEN WERE INDICTED AT IRONTON

Ironton, O., Feb. 21.—The immortal 208, who were indicted by the grand jury are drifting into Judge Corn's court, and it is disclosed that most of the indictments are for liquor violations or violations of the laws relating to minors, as to tobacco and frequenting pool rooms.

Charles Felt, a baker, who was mixed up in the recent bread war, was indicted for violating the Ohio anti-trust laws, and it is said that other bakers were also caught.

A. J. Frowine and John McCann were indicted on several counts for alleged liquor law violations.

Among those indicted for selling tobacco to minors or allowing minors to frequent pool rooms, were the following business men: Thos. Floyd, Roy Mascari, Sr., Frank Sands, Otto Ketter, Fred Wileman, William Byers, C. B. Clark, Thos. Peters, Emil Arnold, Harry Horton, Arthur Horton, Adam Long, Richard Hudson, the latter clerk at the Hanging Rock Iron Company's store.

Adam Long is totally blind and is very old in age. He keeps a little stand in Hanging Rock, selling tobacco and cigars, candy and novelties for a livelihood. He entered a plea of guilty to three of the indictments and the other three were nolled. The court assessed a fine of $25 and costs in each case, but suspended the fines in two of the cases, leaving Mr. Long to pay one fine of $25 and costs in all cases.

A REPORT HAD IT THAT SUNDAY HAD BEEN SHOT

Secretary E. F. Rideout, of the N. & W. Y. M. C. A., queried Secretary Everhart of the Y. M. C. A. at Lima Tuesday by telegraph, concerning the report that Rev. Billy Sunday had been shot and killed. The reply came back to Mr. Rideout that the report was absolutely false, much to the local secretary's comfort.

How the report got started is a mystery, but it certainly spread about town like wild fire. The Times queried Lima early Tuesday and ascertained the report had no foundation.

N.&W. And C.&O. Men To Inspect D. T. & I.

Ironton, O., Feb. 21.—The announcement that a "glass car" special was coming to Ironton Wednesday over the D., T. & I., and that besides a number of prominent railway officials, the party would include a number of Eastern capitalists, has resulted in much speculation and discussion, but no one hereabouts can offer an authoritative reason for the coming of the party.

The word has gone along the entire line to have everything in first class order by Wednesday, and one of the best engines the company owns was sent out from Wellston yesterday to draw the fine coaches and accommodation car, of which the train will consist, over this end of the line. The private coaches will be one N. & W., one C., H. & D., one New York Central, and one D., T. & I. Company.

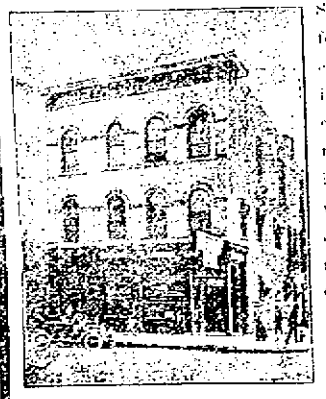

A number of reasons have been advanced for the inspecting trip, but the one that the purchase of the road is the object seems to be the most generally accepted. One of the theories advanced is that the C. & O. may be nearing an understanding the road and use this end of the same in connect with its other line, the Hocking Valley, at Jackson, thus giving them an outlet to the lakes without the building of the line to the river through Scioto county, talked of for some time.

The N. & W. connection with the purchase would be through the C. & O.'s use of their bridge at Kenova, which is to be double tracked.

Salladay Got $150

The jury in the case of George M. Salladay against the City of Portsmouth, which was heard in common pleas court on Monday, returned a verdict in favor of the plaintiff for $150. Mr. Salladay asked $275 damages from the city by reason of alleged damages to his property on Robinson avenue, occasioned by the city changing the grade of that street when it was paved. The city had offered to compromise with Mr. Salladay for $100.

N. & W. TRAIN DERAILS CAR

Chillicothe, O., Feb. 21.—An N. & W. extra west freight had a car derailed at Paint creek Monday morning from an unknown cause. Traffic was delayed for about 10 minutes. The B. & O. S.-W. wreck train was called out but its services were found to be not needed.

She Learned Something.

"This is a fine coffee," said the visitor to her hostess; "how do you make it? I make mine so and so, but it never tastes like this." "Well," replied the hostess, "I make this the same way, but I've learned something. Maybe you don't keep your coffee pot clean—that is, I mean maybe you use common kitchen soap. I use Hewitt's Eask Task soap. It's pure and clean and white, and costs the same as the poor kinds. Then, too, it makes a nickel-plated coffee pot shine like silver."

Oranges From California

Henry Becker Tuesday received a consignment of extra fine oranges from Mr. and Mrs. Edgar Donaldson, who are pleasantly located in Reverside, Cal. One of the oranges measured thirteen inches in circumference.

Mr. Donaldson sent J. E. Moore, a salesman for the Joseph G. Reed Company, a lemon that measured nine by twelve and a half inches.

Don't be Thin

No Need of Being Scrawny, Weak and Emaciated.

In these days of physical culture and health foods, one would hardly expect to see any thin, weak, emaciated people, but in spite of all this, nearly every person you meet is thin and scrawny.

Good healthy flesh can only be gained by the use of the proper food with thorough assimilation of the fat-giving elements. Nine people out of ten in order to weigh as much as they ought and be perfectly healthy, should use Sanose, the great flesh-forming food. Weigh yourself before commencing to use these little tablets, and see how your weight increases.

Sanose has valuable flesh-forming and tissue building properties, and when it is assimilated with the food, it causes the flesh-making elements to be retained and the weight is naturally increased.

Fisher & Streich, the popular druggists have sold in the last few weeks, a great many packages of Sanose, every one with their personal guarantee to refund the money if it did not give satisfaction and has had but one person ask for the money back.

Mr. Gulker To Build

George L. Gulker, a contracting tinner, Monday, purchased a lot at Seventh and Raynor streets belonging to Louis C. Russell for $1500. State House Talk

Columbus, O., Feb. 21.—The spirited contest for the place on the common pleas bench vacated by Judge George E. Martin of Lancaster, appointed a member of the federal customs court of appeals by President Taft, was ended Monday night, when Governor Harmon selected Virgil C. Lowrey of Logan, Hocking county, from among a dozen candidates for the office. Judge Martin's resignation was filed with the governor earlier in the day.

The governor also made several other appointments long overdue. He appointed as members of the state board of health, Dr. H. T. Sutton of Zanesville, Dr. Oscar Hasenkamp of Toledo, and Dr. R. H. Grube of Greene county. The last named two succeed W. C. Chapman of Toledo and Darwin G. Palmer of Ashtabula, both deceased. The governor also appointed Joseph Ryan of Noble county, and C. Z. Brundidge of Huron county, trustees of the Mansfield reformatory. The former succeeds H. L. Fernlding of Dayton, who resigned to become circuit judge, and the latter, O. E. Bare of Brown county, term expired.

Judge David L. Rockwell of Ravenna, who becomes chief of the building and loan department of the state insurance commissioner's officer March 1st, has come to Columbus to spend the time between now and then getting acquainted with his new duties. He succeeds Judge O. P. Sperra of Ravenna, who has held the position many years. Judge Rockwell originally was slated to succeed Judge Charles C. Lemert as commissioner, but on account of the splendid record made by the latter, Governor Harmon did not think he would be justified in removing him to make a place for Judge Rockwell.

The attention of Attorney General Hogan has been called to an unusual situation in Washington township, Carroll county. The township has been without a justice of the peace for six years, and this seems to be because nobody wants the job. In a situation like this, the township trustees should appoint justices, but the trustees in this township decline to do so. There are two trustees and one of them will shortly resign. It takes two trustees to make an appointment, and unless the two trustees can be prevailed upon to appoint before one of them resigns, there will be no chance for the township to get a justice of the peace. The prosecuting attorney wants the attorney general to tell his what to do to secure the appointment of a justice of the peace. He is wrestling with the problem.

Charles A. Thatcher, the Toledo attorney who was disbarred by the supreme court more than a year ago, is scathingly denounced in the opinion of the court, just out, overruling his motion for reinstatement. It is set forth that if Thatcher had only been guilty of a single act of wrong-doing, he might have been suspended for a definite term. His offenses were numerous and are declared to have been most reprehensible. It is stated in the opinion that he scandalized the administration of justice by appealing from judgments rendered in the orderly court of procedure to crowds summoned by a blare of trumpets on street corners and vacant lots, where, by false speeches, pamphlets and cartoons, he heaped condemnation and ridicule upon judicial proceedings which were conducted with fairness. This refers to Thatcher's attacks on judges before whom he had cases, and who were up for re election. Another indictment of the court treated at length is one that he caused a reputable lawyer to bring a suit which was without any just basis, so that he could receive a compensation so large as to make him a mere tradesman in the ranks of an honorable profession.

When the Cetone bill to give "squirrel hunters" pension of $6 a month comes up in the house, an effort will be made to amend it so that the patriotic citizens who turned out to repel General John H. Morgan, the raider, and his band of guerrillas, and who subsequently captured them, will also be pensioned for what they did. The attempt will also be made to amend the bill further so as to pension the widows, children, grandchildren and great grandchildren of the "Squirrel Hunters"; to provide for the appointment of a commission of three, each to draw a salary of $5000 a year, to build a $100,000 monument to their memory. The last named amendment will be offered for the purpose of making the bill ridiculous and securing its defeat.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds *himself* regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

Notice To Baptists By Rev. Mr. McAfee

There will be services in the First Baptist church this evening at 7:45. All persons desiring to unite with the church are urged to meet the pastor at 7 p. m. in the lecture room for conference with the deacons. All persons of the Baptist faith are cordially invited to identify themselves with the Baptist church here. If you are a Baptist you are and will be a disturbing element in another church or a compromiser and for the good of the cause you cannot afford to be either.

We would be glad to meet you at your own church. Come to a common church with a common preacher, a common people, a common gospel, a common salvation.

T. H. McFee, Pastor.

JACOB PROSE IMPROVING

Word from Sullivan, Ind., on Monday, was that Jacob Prose, formerly of this county, had rallied from his critical illness and stood a chance for recovery.

Pool Tourney Now Going on

The billiard and pool tournament inaugurated a few days ago by members of the Masonic Club is waxing warm. A series of games were played Monday night. The interest is commendably good and the merry click of the ivory balls is sweet music to the ears of the cue experts in this big and progressive lodge.

PREACHED IN RUSH TWP.

Elder Willis, of Ironton, preached his first sermon at Bethany Baptist church in Rush township Sunday, in several years. A large congregation was present at both the morning and evening services.

Horse Died From Injury

Proprietor Adam Pfau, of the Model Home Bakery, had the misfortune to lose one of his valuable horses Sunday. It died from the effects of a kick. The animal was valued at $200.

County Auditor, Fred N. Tynes, and his deputies are busily engaged in making the semi-annual settlement with the treasurer and apportioning the taxes collected among the various funds.

Masons Leave.

Harry Johnson, Phil Streich and George Schmidt left Tuesday for Cincinnati to witness a class of Masons receive the Scottish Rite and Shrine degrees. They received them two years ago.

Frank Baggs will leave later in the week.

IS TO LOCATE ON A FARM

Carl Boenker, who for several years has been employed as cutter at the Selby Shoe Co., has resigned his position and will leave this week for West Dover, O., where he has purchased a farm. His family will join him in a few days.

Albert Jeffers, of West Sixth street, is off duty with an attack of the grip.

Neuralgia Goes

Begy's Mustarine Drives Aches and Pains from the Body.

Worster Bros. sell Mustarine and sell lots of it. It's a new idea; it's made to take the place of dirty, blistering mustard plasters, and at the same time do all the good things the dirty mustard plaster will do, and has been doing for a hundred years.

Begy's Mustarine is not greasy or sticky and will not blister. But it will kill headache, earache, backache, and pain in chest quicker than the best mustard plaster your grandmother ever made.

And for pleurisy, sore throat coughs and colds and for swollen and rheumatic joints it has no equal. As much in a yellow box as mustard plasters, and only 25 cents. It's better than any liniment.

PETITION HAS NOT BEEN SIGNED

There was nothing new Tuesday in the impending divorce suit that a local lawyer is going to file for a woman, who claims that since her conversion she is no good for her husband. She promised to sign the already prepared petition Monday but she failed to show up.

Grand Officer Was A Visitor

Asst. Grand Chief Ash Kennedy was here Monday from Cleveland visiting Division No. 511, Brotherhood of Locomotive Engineers.

Grocer Bodmer Recovered

Grocer John Bodmer, who has been quite ill, is able to be up and about again. His young baby Marcella, who was injured in a fall Saturday is also much improved.

The little daughter of Harold Evans, corner of Fourth and Bond streets, has been quite ill for several days.

His Old Job.

Fred Prediger, who recently returned from Cincinnati has resumed his old position in the shipping room of the Selby Shoe Co.

IRONTON DRYS MAY BE CITED FOR CONTEMPT

Ironton, O., Feb. 21.—"The matter of the communications which have passed between P. C. Booth, H. A. Marting, Geo. W. Nance, T. J. Johnson and Rev. L. E. Lee, the committee named by the dry temperance meeting held at the court house, Monday, Feb. 6, and Judge E. E. Corn, has lain dormant for some days but it sprung into life again Monday and from all indications there'll soon be something most interesting doing in the affair. Not only may the public be given a chance to read the letters and judge for itself the merits in the case, but the members of the committee will quite likely face contempt proceedings as a result of certain charges made in the communication to Judge Corn, Prosecuting Attorney Billiter et al.

The Ironton Register Monday contained the following article:

"The members of the committee to whom Judge Edward E. Corn recently addressed a letter in answer to a communication sent him by the committee, have refused to read the letter sent to them by the judge. Each member of the committee has filed the letter, but none of them have read it. Discussing the matter with one member of the committee Saturday, he said that the committee did not consider the matter a personal one as did Judge Corn and it was for this reason that the communication was not read."

Upon being asked what he had to say concerning the above, Judge Corn replied:

"A number of attorneys have urged me to uphold the dignity and protect the integrity of the court by a contempt proceeding. I have hesitated because I regarded the communication as personal. Now that this so-called committee has said in public print in unmistakable terms that their communication is meant to be official, I think I shall appoint a committee to investigate their communication and their conduct to ascertain whether they are probably guilty of contempt. If not, and they have not, read my communication I shall probably let a fair-minded public read it for them."

Up to Monday noon Judge Corn had taken no action towards naming a committee to investigate as to contempt. He was said to be giving the matter thorough consideration so that there would be no fiasco, in case proceedings were brought.

SALESMAN SUICIDED

Morley Adams, aged 40 years, of Huntington, was found dead in a room in the Shively hotel at Chillicothe, Sunday. A partly filled bottle of morphine at his side told the tale. He was a traveling salesman.

Fred C. Hungerford, manager of the Kirby Ten Cent store, is ill with an attack of the grip.

Mrs. Roach, an N. & W. machinist, who has been very ill with typhoid fever, is reported as better.

Free for Stomach and Bowels

We are in receipt of letters from Mrs. Ella Gaskins, 304 Madison St., Topeka, Kans., and Mr. P. H. Gavelner, Okla., as well as many others, telling about the wonderful results they have secured in the cure of their stomach and liver troubles by the use of Dr. Caldwell's Syrup Pepsin.

[illegible] remedy, as all readers doubtless have been before the public for a long time and is now having more extensive use than any other remedy for stomach, liver and bowel complaints. According to reliable testimony it seems to be a very quick and sure cure for constipation, indigestion, dyspepsia, liver trouble, biliousness, headaches, sour stomach, gas on the stomach, drowsiness after eating, heartburn, sick headache, etc. It is a mild and gentle laxative, and so mild and gentle in its effect, that a child as well as a strong person can take it, in fact, it is the ideal remedy for children, women and old people.

It causes the flow of gastric juice, and by its peculiar action trains the stomach and bowel muscles to again do their work naturally, and in time medicine will hardly be necessary.

A free sample bottle can be had by sending your address to Dr. W. B. Caldwell, 501 Caldwell building, Monticello, Ill., for it in this way Mrs. Gaskins, Mr. Gavelner, Mr. Gavellas and many others found the cure. Later, when you know it is the remedy you need, do as they are doing and buy it of your druggist for fifty cents and one dollar a bottle.

Dr. Caldwell does not feel that the merits of his remedy ends his obligation as he has specialized in stomach, liver and bowel diseases for over forty years, and will be pleased to give the benefit of his advice on the subject free to all. All are welcome to write him for the medical advice or sample address him as above.

Mrs. Schenk To Get Household Goods

Wheeling, W. Va., Feb. 21.—Between $3,000 and $4,000 worth of clothing and household ornaments claimed by Mrs. Laura Farnsworth Schenk from the palatial home she formerly occupied on the Island, will be turned over to her tomorrow by agents of her husband, who have gone over the effects in the house at No. 106 Penn street. The goods have been packed up and were to have been turned over yesterday, but this was delayed until tomorrow.

At the request of Mr. Schenk through his attorneys, the wife, who was recently tried on a charge of administering poison to her husband, made out a list of articles to which, in her opinion, she is entitled.

This list was a long one. It included everything from the $5,000 automobile, which figured so prominently in the recent trial, down to the sad irons and wash tubs in the kitchen. In all she asked for between $12,000 and $15,000 worth of goods.

A third party, who has been familiar for some time with the Schenk domestic arrangements, went through the house and decided on the goods belonging to Mrs. Schenk. She has a very large amount of expensive clothing, and this will be turned over to her. There are also many articles of furniture and ornaments, presents to her from her husband, which are included in the list. She asked for the piano, but this was refused.

The goods will be delivered at her present residence, No. 26 Kentucky street.

ENDORSED AS WATCHMAN

A large delegation of railroad men waited upon Mayor H. C. Searcy Monday evening in the interest of Owen Doley, a popular former N. & W. machinist.

Doley was recommended to the mayor for appointment as watchman at the Hill Top engine house. He is disabled, his health having failed several years ago. Another man who has many supporters for a position in the city fire department is former Chief Tom Eyles. Mr. Eyles is an applicant for an active position in the service. He is still full of life and vigor and his friends predict he would prove a valuable man. Both he and Doley, it is thought, will eventually land places in the department.

Visits Sick Father.

James H. Finney, well known insurance man, is at the bedside of his father, George Finney, formerly of Scioto-ville, who is dangerously ill with Bright's disease in Columbus.

He Likes Florida.

"IT WAS RECOMMEDED TO ME BY MY DOCTOR"

The Reason Why Many People Take Father John's Medicine.

When Mrs. C. H. Dunkel, of 33 Linden street, Reading, Pa., was asked why she took Father John's Medicine, for her cough, she replied, "It was recommended to me by doctor." The same question was asked and a similar answer returned by the following: Mrs. A. E. Hixon, 30 Larkin street, Bangor, Me.; Henry F. Villat, 25 Crownwell street, Meriden, Conn.; Frank Poff, Hallam, Pa.; Miss Catharine Boyle, 45 Blackburn street, Fairhaven, Mass.; Charles L. Brown, Irving, Ill., as well as a great many others.

Physicians, hospitals and other institutions all over the world endorse the merits of Father John's Medicine because they know of its history and curative power.

It cures colds, coughs and throat and lung troubles in the natural way by driving the impurities out of the body and at the same time its pure food elements make fresh and strength for those who are weak and run down. Not a patent medicine but a doctor's prescription, free from alcohol and poisonous drugs in any form. Get a bottle today.

NEW AUTO TRUCK TO BE ACCEPTED

Safety Director James P. Brennan has formally accepted the new auto fire engine though the money has not yet been paid over to the building of the Webb Motor company of St. Louis.

Mr. Brennan is holding back on the payment for fear that once the money was turned over the company's demonstrator might be called off the job and he wants his presence insured for the remainder of the week.

The last doubt that might have been held regarding the machine were dispelled after a performance made by it on Kinney's Lane. This is the only newly filled road in the city and Mr. Brennan decided to try out the auto apparatus on it. The machine plowed through mud that reached over the hub without the slightest trouble covering several squares at the rate of 15 miles per hour. The machine at the time carried 12 men and 800 feet of hose.

The machine has been removed from the Rubbloun garage to the East End engine house. Mr. Brennan has given instructions to the men to exercise every precaution in avoiding accidents and for the present to not run the machine at a greater speed than 20 mile per hour.

She Twice Married Men Named Jno. Ray

An unusual feature developed by the death at South Webster on Sunday of Mrs. Mary Ray, was that she was twice the wife of a John Ray.

Mrs. Ray was twice married and her first husband, John Ray was a cousin of the husband, John Ray, now surviving her. One child was born of the first marriage but died in infancy.

Mrs. Ray was 62 years of age and a native of Germany. She came to this country with her parents at the age of four, the family settling in Cincinnati. Step-children surviving her are: Mrs. Henry Banes of this city, Mrs. Henry Hafner of South Webster and Mrs. Isaac Nichols of Wellston.

The funeral will take place from the Lutheran church at South Webster Wednesday morning. Burial at Bloom Furnace.

PLANS ARE ON FOOT FOR BUSINESS MEN'S CLUB

From a thoroughly trustworthy source information reached The Times Tuesday that a movement is now well under way to give the city what it has long needed, a Business Men's Club, that will be free from political affiliation.

Splendid progress is being made and the plans of the promoters will be announced just as soon as the affairs of the commercial club are wound up. A number of the city's leading citizens have been approached about the proposition, and they heartily approved it and stated that they would subscribe to its maintenance. The project will become a more tangible aspect as soon as the commercial club passes out of existence on March 4th.

The plan now considered is to build a new home and handsomely equip it throughout, and to establish a splendid cuisine.

Deputy Revenue Collector H. A. McKenkie paid the city a business visit Tuesday.

To Name Crew In Few Days

Safety Director Brennan announces that he will appoint the remainder of the new auto engine crew within the near future. Fred Winters, whom he appointed engineer, stood at the top of the civil service list.

YOUNG DAUGHERTY IS SENT TO TEXAS TO WORK

Portsmouth friends of young Draper Daugherty, son of Mr. and Mrs. Harry M. Daugherty of Columbus, who frequently visited here, will be interested in this story of his latest adventures:

New York, Feb. 21.—Off to Texas and work!

That is the brief last chapter of the story of the marriage of Draper Daugherty, son of Harry M. Daugherty and Miss Dessa Gibson, the pretty show girl whom Draper fell in love with at Columbus and married in Buffalo.

The Easterns pair took a steamer for Texas at New York Saturday. They're on their way now.

The Texas trip is the sign of reconciliation, 'tis said, between Papa Daugherty and the young people who were married without his consent. The New York dispatches all say that the elder Daugherty has finally taken pity on the young pair, and had opened the purse strings of his generosity.

It is declared that the father-in-law went to New York a few days ago and found his children living in a flat on Amsterdam avenue with most of their valuables pawned and subsisting on the salary which Mrs. Dessa Gibson Daugherty was earning in a musical show.

When the elder Daugherty got better acquainted with his daughter-in-law, he liked her, it is said. He took her into his confidence. He told her that if they would go to Texas he would furnish the cash, and see that they would want for nothing. He told her, in addition, that it would be up to her to handle the business end of the deal, including cash and that Draper was to be solely under her guidance and care. He was to handle no money and to do nothing except carry out her orders.

Settled? Mrs. Dessa Daugherty accepted the proposition. She literally took Draper by the hand and together they went about redeeming pawned property, the girl carefully handling the cash.

Then hand in hand, the girl still bursar, the two went about replenishing their wardrobe, and getting things that would be needed for the Texas journey.

And on Saturday they set sail.

Members of the musical company were at the pier. All the girls wept as the pretty show girl and the young man walked up the gang plank. Mrs. Daugherty's tiny handkerchief also was soggy and her eyes were wet as she waved goodbye. The members of the company cried some more and waved back.

"She'll make him travel the narrow path," said one.

"It's one case where the marriage of a show girl and a rich young man will pan out all right," said another.

Then the steamer pulled out.

It is understood that the new Mrs. Daugherty had $2800 in cold cash when she led her young husband up the gang plank. According to the arrangement young Daugherty is to work on some of the Daugherty property in Texas, and is to be given his pittance by his wife, who will continue to handle the purse strings.

"The new Mrs. Daugherty is president, general manager and treasurer of the firm of Wife & Daugherty, unincorporated, and is backed by the elder Daugherty," so the New York dispatches say.

MASONS GO TO CINCINNATI

Dr. E. C. Jackson, E. E. Knox, George L. Gableman, K. George Zortman, Albert Zoellner, Dr. W. G. Cheney and William Deitz left for Cincinnati, where they will receive the Scottish rite degrees in Masonry. At the last moment they switched their headquarters from the Sinton Hotel to The Havlin. Dr. W. E. Gault and Chas. De Minico, who were to have made the trip, were unavoidably detained. Mr. De Minico will have to go to Boston this week to consult with his employers, the United Shoe Machinery Company.

IT ALWAYS COMES.

Every dog has its day. That is a truism, that ought to be enforcing itself on the consciousness of the "muck-raking" magazines.

When congress went Democratic and it became an apparent certainty Champ Clark would be the next speaker they immediately became clamorous that he was not big enough for the job and insistently ordered the choice of some one else. No heed was paid to them, the Missourian being named with a hurrah. Then behold what happens. Those deadly "interests" assail the magazine and Champ Clark arose. He could, had he been as small as "the muck-rakers" arbitrarily measured him, have played the dog in the manger and got even with them by lining up with their enemies. Instead of doing that, however, he shows himself big enough to forget injury and injustice and becomes the champion of those who attempted to belittle him and hold him up to public scorn. He is making a brave fight in the house against the measure to impose, what magazines claim are confiscatory postage rates upon them and if they are saved it will be because of his magnanimity and bigness. No doubt, the magazines are glad to-day he is not as small and ineffective as they tried to make him appear.

FIGURES UNFAIR.

The state tax commission has issued a statement showing quite every town for the decade has increased the aggregate of taxes by a much larger percentage than it has gained in population.

From this it argues extravagance and improvidence on the part of all.

Now the case may be such with others, but as to Portsmouth the deductions from the figures are unfair; it is quite likely they are so in the majority of instances.

Extravagance in taxation is determined principally by results. If a city gets fair and permanent value for every dollar it spends, increase in taxation does not show improvidence, but providence. Thus while it is true, that while the total of taxes raised in Portsmouth in 1910 is 74 per cent. greater than that raised in 1909 it is evident the benefits the town receives from that increase are more than 74 per cent. Ten years ago she had less than 10 miles of paving, today she has about 26, ten years ago she had no flood wall, few sewers and altogether inadequate water service and no hospital. To-day she has the flood wall, miles and miles of new sewers, the water service, outside of the quality of the water itself, has been renewed and vastly extended and a hospital has been built. Ten years ago she had as poor streets and as untidy a condition generally as could be found anywhere, to-day she has as good streets and her condition is as orderly as that of any other place in the state. Upon all this, it should be noted that the increase in taxes goes to pay for these improvements, the increase in the general expenses has not been considerable.

The year of [illegible] seems near at hand. The report is Scioto county is going to be placed in a Democratic [illegible] second district [illegible] of the general assembly.

CORONER CRITICISED FOR ALLEGED NEGLECT

Considerable criticism is heard over town of Dr. O. W. Robe for the alleged negligent manner in which he performed his duties of county coroner in investigating the accidental killing of "Lit" Parker the negro killed by an N. & W. train Saturday night.

Dr. Robe was notified of the accident at 1:40 a. m. He was called up again shortly after three o'clock by the police but did not budge from his home. It was 8 o'clock Sunday morning when he appeared at police headquarters and he had not yet visited the scene of the killing. Safety department officials meanwhile had notified the infirmary authorities they at the time believing the dead man to be a stranger. The infirmary authorities in turn directed Undertaker Duehler to go after the body and the coroner went along. Accordingly it was past nine o'clock when the mangled portions of the body were gathered up from along the railroad.

Nearby residents had repeatedly called up police headquarters by telephone and urged the removal of the remains at last threatening to prosecute some one unless the body was removed soon. "I don't care if the man was a Negro he was a human being," said one irate woman, "and he shouldn't be treated like a dog." The man's clothes had been entirely torn from the body and cut into ribbons save the coat which was still fast to an arm. The left leg perfectly nude lay some distance from the trunk.

Dr. Robe in explaining his failure to view the body sooner is alleged to have said that he felt it would not "spoil" by lying there until daybreak.

The Times made repeated efforts Monday night and Tuesday morning to secure a statement from Dr. Robe but he was not to be found. At the Robe home on Tuesday morning it was stated that the coroner was out of the city.

LOU BAUM BUYS BACK GROCERY

Portsmouth can't lose Lou Baum, or vice versa, for on Tuesday, a deal was closed whereby he again came into possession of the grocery store he established on East Eleventh street, and the one he sold to B. F. Lantz several months ago.

Mr. Baum stated that owing to the continued illness of his wife, he was compelled to sell out his saloon business in Cincinnati. Mrs. Baum is at the home of her mother in this city, but is not improving as fast as her friends would wish.

Mr. Baum will take possession of the grocery store as soon as the invoice has been taken.

Harugari To Celebrate

Germania Lodge of Harugari will in a few days announce the date for the celebration of the 64th anniversary of the order. The local lodge expects to commemorate the event in fine style. The order is one of the oldest in the country. Germania lodge is 44 years old and two of the charter members, Charles Windel and John A. Hennecke are still living and expect to attend the celebration.

Walter Dodge has given up his job on the B. & O. S. W. night round house crew.

An Appeal To Wives

No more terrible affliction can come to any home than the craving for strong drink of husband or father. We appeal to wives, mothers and sisters to save the husband and father or the brother with Orrine, a scientific treatment.

ORRINE is prepared in two forms. No. 1, secret treatment, a powder, absolutely tasteless and odorless, given secretly in food or drink. ORRINE No. 2, in pill form, is for those who desire to take voluntary treatment. ORRINE costs only $1.00 a box. Write for Free Orrine Booklet (mailed in plain sealed envelope) to ORRINE CO., 738 Orrine Building, Washington, D. C. ORRINE is recommended and is for sale in this city by Fisher & Streich, Sixth and Chillicothe Streets, Portsmouth, Ohio.

ADVANCE SALE WAS BIG ONE

The advance sale for the Alhambra Minstrels was one of the largest in the history of the Grand opera house. As early as 5 o'clock this morning patrons were in line waiting for the box office to open. The crowd was most orderly and the systematic way in which the people were handled was forcibly commented on by quite a few people. There are a few desirable seats to be had, but that the house will be sold out there is not a question of doubt.

Gift For Barber

Friends of John Cooley Barber, veteran retired locomotive engineer, are to handsomely remember him on the occasion of his seventy-sixth birthday anniversary, Wednesday.

Engineers on the Portsmouth branch of the B. & O. S.-W. Tuesday mailed a check to the aged engineer and the local division of the N. & W. and also the B. & O. S.-W. engineers at Chillicothe are also to send him donations. Mr. Barber is one of the few remaining members of the old guard of B. & O. S.-W. engineers.

Bagby Buried On Monday

T. C. Bagby, better known as "Character" Bagby, uncle to Walter Bagby, who passed away at Lexington Friday, was buried in the Thompson cemetery, two miles below South Portsmouth, Monday. The funeral services, which were held from the home of his sister, Mrs. J. W. Henry, were conducted by Mr. Bush. There was a large attendance of friends.

To See Auto Show.

Tide Davenport will go to Cincinnati, Wednesday, where he will attend the automobile and motor cycle show. Tide is especially interested in the motor cycles and will meet the representative of the "Indian" while in the Queen city.

At the Y. M. C. A.

Mayor H. C. Searey in answer to an invitation paid another visit to the R. R. Y. M. C. A. building Monday evening and was warmly welcomed by the railroad boys.

Gus Brunner and Barnes Clare are planning to give a dance at Kendall's hall next Friday night.

An Extra Session Means New Tariff

(By United Press.)

Washington, Feb. 21.—All the doubt as to possible tariff revision if President Taft calls an extra session was removed today when Representative Underwood who will be chairman of the ways and means committee of the new congress said: "If an extra session is called, we will at once proceed to revise the tariff downward."

The wool schedule is expected to be the first point to be taken up at the special session.

Heyburn Is Fighting

(By United Press.)

Washington, Feb. 21.—Senator Heyburn of Idaho, has taken the whole burden of delay for the Canadian reciprocity onto his own shoulders. His state is solidly against the treaty and he will fight it with every weapon he can find. Senator Carter of Montana, visited President Taft today and then predicted the treaty would pass the senate.

Representative McCall who fathered the house bill makes the same prediction.

OREGON PLAN IS VETOED

(By United Press.)

Des Moines, Ia., Feb. 21.—Governor Carroll today personally read to the assembly his veto on the Oregon plan for the election of United States senators, recently passed by that body. Carroll says he vetoed it because it might cause the election of a Democratic senator.

They're All In Deal

(By United Press.)

New York, Feb. 21.—The proposed combination of Bell-Morgan and Independent phones is neither dead nor sleeping. Constant meetings have been going on and it is confidently asserted here that plans are ready to put through a deal which will divide the country up into sections with the same rates maintained in each section by all parties to the agreement.

The deal will be framed so as to be outside the reach of the Sherman law.

BOTH ARMIES SUFFERING

(By Associated Press.)

El Paso, Feb. 21—Both federals and insurrectos are suffering because of a snow and sleet storm last night. The federals, being mostly from southern Mexico, wear only sandals on their feet. The insurrectos are hardier but are short on provisions.

HAYTI IS TOLD TO BE GOOD

(By Associated Press)

Washington, Feb. 21.—As a result of a protest by the British Consul General at Port Au Prince against the reign of terror in Hayti, the state department has made representations to Hayti on the wholesale executions of revolutionary prisoners, advising a more reasonable course.

Accused of Stealing.

E. E. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing the sting from burns or scalds—the pain from sores of all kinds the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at The Fisher & Streich Pharmacy.

Myers Is Held In Jail

Frank S. Myers, who was on Monday taken into custody by Sheriff Eckhart on a charge of contempt preferred by Attorneys Milner, Miller and Searl for not paying his wife $2.00 per week alimony as ordered by the court some time ago; grew sarcastic when taken before Judge Blair to answer to the charge.

When the court asked Myers why he had not complied with the order he replied, "I never intended to comply with it."

After repeating the question and receiving the same answer again, the judge ordered Myers returned to jail until he sees fit to answer the question and comply with the court's order.

Pension Bill Is Reported

Washington, Feb. 21.—The pension appropriation bill was reported to the Senate Monday, carrying $158,688,000. This is $72,000 in excess of the amount of the bill as it passed the House, the difference being represented by salaries and expenses of the 18 pension agencies throughout the country, which the House proposed to abolish.

There have been contests between the House and Senate over the pension agencies for the last seven or eight years. It is understood now that this fight will be settled by President Taft who proposes to abolish all but about six of the agencies and consolidate the work in larger districts than now exist. Under this understanding the Senate amendment probably will be allowed to remain in the bill.

Comes To Grand

Dainty Mae Laporte and her excellent company comes to the Grand all next week. Advance Agent Dave Heilman was in the city Tuesday and completed arrangements to this effect with Manager Higley.

In Honor of George W.

On account of Washington's birthday Wednesday, public schools, all the banks and building and loan associations will close.

Shanty Boat Raided On A Booze Charge

Armed with a search and seizure warrant, Deputy Sheriff Smith and Court Bailiff, Fred Baker searched the shanty boat belonging to Albert Gerlach, lying at the foot of Thompson street on the banks of the Ohio on Monday evening. They found nothing in the form of booze though Gerlach was arrested and taken before Judge Blair where he entered a plea of guilty to selling to W. M. Lockett. An affidavit charging him with having sold to Lockett was sworn to by Judge Harry Ball earlier in the day.

The court assessed the customary $200.00 and costs and to stand committed to the Cincinnati work house until paid. Gerlach will no doubt have to go to the works as it is said that he will be unable to raise the amount.

"Doc" McCormick Died Last Week

News has just reached Portsmouth of the recent death at Middleport, Ohio, of J. W., better known as "Doc" McCormick, former local saloonkeeper.

Mr. McCormick was stricken with apoplexy and died after lingering a week in a semi-conscious state. He was 45 years of age and about twelve years ago conducted what was known as the "Home Plate" saloon on Chillicothe street, also working for Buddy Wertz at different times.

Since leaving here ten years ago, McCormick has been operating a general store at Middleport. He leaves a wife and two sisters and two brothers: Mrs. J. H. Jenkins, of Califax, Iowa; Mrs. R. A. Mease, of Syracuse, O., A. M. McCormick, of Madisonville, also a former Portsmouth resident, and Jerry McCormick, of Syracuse. He was a member of the Red Men and Knights of Pythias, and attended the Methodist church at Middleport.

Toledo Tabernacle Is On Old Ball Park

Billy Sunday will be right at home in Toledo, for the big tabernacle will be located on the ball grounds formerly used by the Toledo team of the American Association.

Word was received here Tuesday, that work on the tabernacle had already been begun, and that it would be capable of seating nine thousand people. The location is an ideal one, for it is within three minutes' walk of the court house and right in the heart of the city. Architect Gill is already on the grounds, and the fact that Mayor Brand Whitlock is a member of the executive committee argues for the success of the Toledo revival.

ACROBATS ENGAGED

The Hills, one of the best trio of acrobats in the country, have been engaged for the Alhambra Minstrels, February 22d.

To Travel For Tracy Shoe Co.

George Shuter, who has been employed with the R. W. Thomas Shoe Company, of Jackson, has accepted a position with the Tracy Shoe Company, of this city. He will enter upon his duties as entry clerk and substitute salesman next Monday, succeeding Walter Gailemann, who will go on the road for the Portsmouth Shoe Company.

New Coal Field

Wellston, O., Feb. 21.—Jerry Morrow, together with his sons, Frank, Will and Charlie, has just completed a deal whereby he has an option on about 4060 acres of fine number two coal, situated in Vinton county. There have as yet been no test holes drilled but the outcrop shows a fine vein of number two coal, the kind that put Jackson county on the map, and while Mr. Morrow is very conservative in his statements, he says it compares favorably with the old Wellston and Coalton veins in thickness.

Joe Fisher, a pattern dresser at the Portsmouth Stove & Range Works, and wife are both very ill at their home corner Eleventh and Offnere streets.

PAID FOR HIS OWN NEW LID

Editor Times—Your item on Monday's Times that I had a hat stolen at the Orpheum theatre is correct, but it is not true that Manager Potts put up "three bucks" for a new lid for me. He did not put up a cent. I've got a new lid all right but I put up the coin myself to pay for it. If Potts paid the bill, he did it while I was asleep.

GEORGE KELLER

Buys Fine Piano.

Mrs. Albert Nourot of East Eleventh street, has made her daughter Miss Muriel, a present of a fine Hamilton piano, purchased from Mr. Floyd E. Stearns local representative of the Baldwin company. Mr. Stearns also sold a fine instrument to Prof. Gabriel M. Tidd who just recently located here and who will open a studio for whistling pupils. Prof. Tidd will in the near future, give a whistling concert in one of the local churches.

Have Unique Programs

The members of the Colonial club who are preparing to give a big dance in Kendall's hall Friday evening, Dec. 24, have selected programs for the affair which are real novelties. The services of Wright's Saxaphone orchestra of Columbus have already been engaged.

Gets Job In Bank

Jackson, O., Feb. 21.—The stockholders of The Oak Hill Savings Bank met Monday night of the past week and unanimously selected Stanton Davis of that village for the position of Assistant cashier made vacant by the death of Thomas E. Jones. Davis was born and reared in Oak Hill and as a consequence is well known to most of the patrons of the bank.

Miss Ella Murphy, of East Front street, who has been sick with the grip, is improving.

A REVIVAL AT THE FREE BAPTIST

The revival meetings at the Free Baptist church are resulting in much good. About thirty who took no stand nor signed cards during the Sunday campaign have decided for Christ and the church since these meetings began on Wednesday, the 15th. The meetings will continue throughout this week at 7 o'clock each evening. Rev. J. W. Wynn, state secretary of the denomination, is assisting Pastor Chase in these meetings and is delivering most earnest and helpful sermons. Brother Wynn is also helping George C. Sprouse, of the Y. M. C. A., in the noon day shop meetings at the N. & W. terminals.

Forty new members have been received into the church from the Sunday meetings. Many more are only waiting to receive the ordinance of baptism before coming into the church.

There will be baptismal services each night this week, except Saturday, and on Sunday morning, afternoon and evening.

Lost His Diamond

Druggist George Wurster lost his $300 diamond ring while returning from an auto trip out Chillicothe pike Monday night. It was found by Jim Snead, the houseman at Hempstead hospital, who promptly returned it to the owner. George rewarded him with a [illegible] dollar bill for his honesty.

W. J. Page, a former N. & W. engineer is at present visiting at his old home in Virginia.

Madison Twp. Case Was Heard Tuesday

No case that has been heard in common pleas court for some time has attracted more attention than the paternity case of Christina Culp against Walter Lansing, both Madison township people.

The case was begun at 9 o'clock on Tuesday morning and did not go to the jury until 2:30 in the afternoon. The court room was filled with spectators and witnesses, almost every available seat being taken. Most of the spectators were Madison township people, though many local persons were attracted to the court room.

Lansing, the defendant in the case is a popular Madison township school teacher. He is 24 years of age. His father is one of the prosperous farmers of that community. The defendant's parents are not so well supplied with worldly goods but are respectable and honorable citizens of Madison township.

In company with the plaintiff was the child whose father is sought to be established. He is a good looking, chipper little chap and never once whimpered during the course of the trial. He seemed perfectly content among the houseful of strangers and oftentimes turned his bright eyes upon his alleged father.

The case was stubbornly contested. The plaintiff was represented by Attorneys Frank W. Moulton and Harry Ball and the defendant's part was ably looked after by Attorney John C. Milner.

Miss Culp alleged that the offense was committed at the home of Mr. Reinoehl in Harrisonville about the third of June, 1909. The defendent produced testimony establishing the time that he met Miss Culp at the Reinoehl home as June 17. He had gone to Harrisonville in company with others to attend a lodge meeting. He testified that he and a friend went to the Reinoehl home for a bucket of water and that meeting Miss Culp he remained a few minutes to talk with her. The plaintiff's testimony substantiated these statements with the exception of the date. Both testified that this was the only time they were in each others company.

An affidavit was sworn out by the plaintiff before Squire Crabtree on January, 1910, and as soon as this became known to Lansing, he quit his school and left the country. He testified that he left upon advice of an older brother. After remaining away for a short time he returned and began preparations to contest the case.

The jury in the paternity suit of Christina Culp against Walter Lansing, reported at 3:30, returning a verdict of guilty against the defendant.

Ran Into A Wire

R. P. Seiler, Chillicothe street music man, knows what it is to bump into an obstruction on the high way. Monday night while driving to his home on Munn's Run, some one had placed several poles in the road and strung wires from the same. The wires hit Mr. Seiler under the chin and almost jerked him from his buggy. It was only the work of a few seconds for Mr. Seiler to remove the obstructions and the road is once more clear for travel.

SUNDAY INVITED TO CAPITAL CITY

The Columbus Journal of Tuesday said:

"In a stormy session, not unmarked by the exchange of personalities, Columbus ministers who attended the Columbus union ministerial meeting yesterday afternoon at the Y. M. C. A. voted 4 to 1 to extend an invitation to Evangelist W. A. (Billy) Sunday to conduct a campaign in Columbus. Nine ministers voted against the invitation.

"The call that will be issued to Sunday probably will be provisional, as the evangelistic committee, which reported yesterday, suggested that Sunday be required to waive his customary demand that all churches join in his campaign and that none hold services, either weekday or Sunday, during his stay.

"The question of the provisional call was left to a special invitation committee.

The motion to extend an invitation to Sunday was made by Rev. Dr. Day. His speech was a defense of Sunday and his methods.

"I know," he said, "that Sunday does many things and says many things that we all wish he wouldn't, but, you know he's Billy Sunday. I used to condemn his methods, but after seeing him and learning about the good results that follow his campaigns I want him to come to Columbus.

"Columbus needs a dose of Sunday. It needs at least a six weeks' dose of him. I believe a thorough campaign for right, such as he would carry on, would make Columbus a better city," he concluded.

"Not until after a motion to extend a call to Sunday had been made and seconded did Rev. W. S. Harpster give the report of the ministerial association's committee on evangelism which favored Sunday meetings providing the baseball evangelist would consent to permit different churches to hold meetings on Sundays.

"Resolutions objecting to Sunday were read. Among those whose signatures were attached to the resolutions were: Rev. Dr. Washington Gladden and Rev. Messrs. C. E. Burton, Jacob Pister, F. H. Stedman, John M. McGann, Fletcher L. Wharton and F. M. Porch.

"Rev. Dr. Wharton, pastor of Wesley Chapel M. E. church, threw the first bomb of opposition into the camp of the Sunday enthusiasts. With much feeling he pleaded with the ministers of the city to think carefully before taking action and placed himself on record as opposed to Sunday's methods and doubtful as to the longevity of his conversions.

"Sunday's cause was defended by Rev. Dr. Frank Gillilan, pastor of the Mt. Vernon Avenue M. E. church, who said that the ministers who objected to Billy Sunday didn't know him.

"They say that he gets big money for his work, which is true," said he, "but the fact of the matter is, he gives nearly all of it away. While in Portsmouth he visited a widow in her home and left behind him a check for $500, with which she could pay off the mortgage on her home."

"I have heard of men out West who held up trains and took money from passengers," retorted Rev. Dr. Wharton, "and the same men built homes for widows."

"Do you presume to say that Evangelist Sunday is a train robber?" hotly exclaimed Rev. Mr. Gilliland.

"Oh, certainly not," replied Rev. Dr. Wharton.

"The discussion waxed warm. Theories as to Sunday's sincerity, his actual power to do good and his power to injure his hearers were aired.

"During the discussion a letter from Sunday was read. It was in reply to an inquiry as to the possibility of securing him for Columbus.

"Sunday's letter explained that Columbus was pretty large for his work, that he preferred to operate in cities of 30,000 or 40,000, but that he might come. It also said that the evangelist's time is taken up for the next two years. No guarantee fund is required by him.

"Concerning his methods, he said that previous to his visits to cities he sent in two or three detectives, who made a card index for him on the lives and characters of the leading citizens, so that he would be familiar with their habits and characteristics when he arrived."

This will Stop Your Cough in a Hurry

Save $2 by Making This Cough Syrup at Home.

This recipe makes a pint of better cough syrup than you could buy ready made for $2.50. A few doses usually conquer the most obstinate cough—stops even whooping cough quickly. Simple as it is, no better remedy can be had at any price.

Mix one pint of granulated sugar with ½ pint of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a teaspoonful every one, two or three hours.

You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite and is slightly laxative, too, which is helpful. A handy remedy for hoarseness, bronchitis, asthma and all throat and lung troubles.

The effect of pine on the membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in guaiacol and all the natural healing pine elements. Other preparations will not work in this formula.

This Pinex and Sugar Syrup recipe has attained great popularity throughout the United States and Canada. It has often been imitated, though never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

TEAM WAS HIT BY C. & O. TRAIN

James Craycraft, who was moving to this side from Kentucky, had a narrow escape from being killed by a C. & O. local freight train at South Portsmouth, Tuesday afternoon.

Craycraft had gotten upon the track with a wagon load of household effects, when bystanders noticed the local backing down. They shouted warning to Craycraft. He became confused and started to back his team, with the result that the horses were knocked down and the tongue of the wagon broken. Craycraft himself escaped injury by jumping.

Don't Rob Your Scalp of Hair Food

(From the Hair Dressers' Bulletin)

"Whenever the head is washed, the process of rinsing and drying is almost certain to take from the scalp more of the oil than is good for the hair. The removal of too much oil leaves the scalp dry and hard and the hair dull, faded and brittle.

"Dry shampooing removes dust and dandruff and excessive oil, but does not rob the scalp of the qualities that encourage hair growth. A shampoo powder that is very beneficial to the hair is made by mixing a half pound of corn meal with four ounces of amotone. Sprinkle a tablespoonful of this upon the head, brush through the hair (it brushes out easily), and the shampoo is finished, and the hair beautifully lustrous, light and fluffy. Amotone has a delicate perfume and is unquestionably productive of long, fine and silky hair."

Not a Day in Bed

Granding, S. C.—In a letter from Granding, Mrs. Lula Walden says: "I was so weak before I began taking Cardui, that it tired me to walk just a little. Since taking it, I do all the housework for my family of nine, and have not been in bed a day. Cardui is the greatest remedy for women on earth." Weak women need Cardui. It is the ideal woman's tonic, because it is especially adapted for women's needs. It relieves backache, headache, dragging feelings, and other female misery. Try Cardui. A few doses will show you what it can do for you. It may be just what you want.

To Attach Trunks

Mrs. Cora Bailey, a boarding house keeper of West Sixth street, spent Tuesday seeking legal advice toward attaching two trunks belonging to T. D. Haskins, a commercial traveler.

Mrs. Bailey first consulted Squire Henry Hall. She said Haskins owed her for money she had advanced to him and also for board for himself, his late wife and their children. He had two trunks, she said, that were filled largely with shoes. These she wished to hold for the money due her. She also wanted to "swear her life" against Haskins, with whom she has had more or less trouble.

Squire Hall under the circumstances did not want to take up the case, but advised Mrs. Bailey to lay the facts before the police authorities who might be able to determine the real owner of the goods contained in the trunks. Mrs. Bailey accordingly visited headquarters, but the police officials advised her to see her attorneys, Bannon & Bannon.

To Buy Home For The Club

The Vestry of All Saints Episcopal church, through attorney Oscar W. Newman on Tuesday made application in common pleas court for permission to sell it's John street property, consisting of three lots, with an aggregate front footage of 74 feet.

The application to sell this property is the beginning of the movement now on foot by the church to acquire the old Baptist church property on Fourth street for the use of the recently organized men's club. An option has been secured on the Baptist church property for $3000.00 and the deal will be closed as soon as the John street property is disposed of.

All Saints Parish House is the name that will be given to the Baptist church property as soon as it has come into the possession of All Saints church. The property will belong to the church and not to the club as has been rumored. However, the club will use it as its quarters. The building will also be used for other purposes, suppers, entertainments and for holding Sunday school if required.

The old building will be overhauled as soon as the deal has been closed and a modern gymnasium installed. Inquiries have already been made about purchasing the aparatus for the gym.

Rector Powell states that the gymnasium will be one of the most modern that can be installed in the building.

CAPT. EVANS WINS A BIG LAND CASE

The committee on private land claims of the house in the 61st congress has reported favorably on the Washington claim. It finds all the facts, presented by our fellow townsman, Capt. N. W. Evans, to be true, and directs as relief, that a patent for 3100 acres of land, to be selected by Col. Robert E. Lee, Jr., the administrator of Gen. Washington, or his assigns, in the unreserved and non-mineral land of the United States, be issued in satisfaction of the claim.

This is greatly to the credit of Capt. N. W. Evans. He investigated the facts for a period of five years, before he presented the matter to the heirs. They then requested him to take charge of the claim.

On Oct. 29, 1909, Col. Robert E. Lee, Jr., a grandson of Gen. Robert E. Lee, and a three times great grandson of Mrs. Martha Washington, wife of Gen. Washington, was appointed administrator de bonis non, by the Fairfax circuit court and the bill for relief was presented to congress Dec. 5, 1907. No action was taken in the 60th congress, but their report was made in the 61st congress.

The heirs asked compensation in money, following the precedent of Governor McArthur in 1841, but the committee thought the United States should not pay the money, and reported unanimously for payment in land. Several of the committee favored payment in money, but they were unanimously for payment in land.

The point of the report is that every fact presented by Capt. N. W. Evans was found to be true, and the only question was, whether the claim should be paid in money or in land. The claim was originally payable in land.

Another remarkable feature of the investigation was that every fact discovered and presented with which Gen. Washington had anything to do, bears out his remarkable character for integrity and truthfulness. His letter dated July 30, 1798, exhibited in the case is remarkable. He declared his belief in the solidity of his title to these lands, and that he would defend it to the last. His estate lost the lands eight years after his death, and now, 113 years after his letter was written, his claim has been recognized by a committee of congress.

The report of the committee is wonderfully interesting reading, and adopts the printed matter furnished by Capt. Evans in the body of its report.

Saved Self and Daughter

Mattoon, Ill.—Will you allow me for the benefit of others who may be in the same condition as I was to make a statement in this paper.

"I was in very poor health for years, was weak, ailing, and all run-down, and had lost in weight until I only weighed ninety pounds. I had been under a physician's care, without any benefit, for so long I was discouraged.

"About a year ago I decided to try a tonic called Vinol, concerning which I had heard many favorable reports. I commenced to gain, and increased in weight until I now weigh 127 pounds, am in perfect health—and never felt better in my life.

"Then, my daughter who lived in Martinsville, Ind., was an invalid, and no encouragement was held out for her recovery. After my experience with Vinol, we went to Martinsville and brought her to Mattoon, as she was helpless. When we got her here I put her on Vinol, with the same good results from its use which I had—she gained in weight, and today she is well and strong and feels better than she ever did in her life." Mrs. O. M. Watrous. (We guarantee this letter is genuine.)

We have for years recommended Vinol as a grand tonic and body-builder, and every year we gain more and more faith in its wonderful virtues. It is certainly the best and simplest tonic restorative we know of. Frank Amann, Portsmouth, Ohio.

SONS OF VETERANS ARE TO MEET

Changes Made In N&W Dispatchers

Through the resignation of Thomas S. Mulligan, for many years a train dispatcher with the N. & W., which goes into effect Feb. 25, three train dispatchers and one operator at division headquarters at the terminals are given a promotion.

Roy W. Bridges succeeds Mr. Mulligan and will be the first trick dispatcher on the Columbus district. W. W. Hughes becomes the second trick dispatcher on the Kenova division and L. W. Schultz was elevated to the third trick on the Columbus division. W. R. Bailey, who has been an operator at the terminals now becomes an extra train dispatcher.

As stated Mr. Mulligan is going to leave Portsmouth, and will locate in Columbus where he will engage in the contracting business with his cousin, Matt Mulligan, for many years a resident of Ironton. Mr. Mulligan is now making preparations to move. His departure along with his estimable family will be generally regretted.

Mr. Mulligan will resign his position of grand knight of the local Knights of Columbus.

Backache, Rheumatism, Nervousness

Mean disordered kidneys. Foley Kidney Pills have helped your neighbors; they will also help you. Mrs. Edward Brunner, Portsmouth, O., says, "I had kidney trouble with backaches so severe that I could hardly stoop over without great misery. My back was sore all the time and to move caused great pain. My kidney action was frequent and painful. I commenced taking Foley Kidney Pills and a few weeks' treatment cured me of all backaches and pains and restored my kidneys to normal and healthy action. Foley Kidney Pills cured me so promptly and effectively that I shall never hesitate to recommend them." Fisher & Streich, Portsmouth, O.

C. & O. FORCES ARE REDUCED

Catlettsburg, Ky., Feb. 21.—According to semi-official reports there have been about 100 men employed on the yards and at the round house in Russell laid off during the past few days, by the Chesapeake & Ohio Railway company, alleging as the cause a shortage in business.

Mike Dressler, employed at Lou King's barber shop on North Waller street, is laid up by an attack of the grip.

WELCH TO GET A FINE NEW STATION

Welch, W. Va., Feb. 21.—All the higher officials of the N. & W. including President Johnson, traveling in a special train, laid over a couple of hours at Welch on Saturday and received a committee of citizens to discuss plans, site, etc., for a new passenger station at Welch.

It was decided to erect a fine and commodious new brick station on the present site of the wooden affair, and it will be one of the most expensive on the system it is said.

At the time of the fire early in January that wiped out two squares, the depot was barely saved.

The owners of the burned-out district, are preparing to erect at once, handsome brick business houses of the latest construction. Samples of brick from all over the country are being rushed in for inspection.

HAMMOND TRIAL NOW ON AT GREENUP KY.

Greenup, Ky., Feb. 21.—The trial of Robt. Hammond charged with the killing of Officer Frank of Ashland was started Monday afternoon in the Greenup County Court, where it was transferred upon request of the defendant.

Six of the jurymen were secured before the adjournment of court last evening and it is thought that the other six will be secured today.

The jurymen secured yesterday were picked from a venire of 40 and are Ed. Belford, Earnest Dupuy, S. P. Nichols, Newt. Crist, M. P. Scott and F. C. Corbin, all farmers, except Corbin, who resides in Greenup, but who has been conducting a restaurant in Ashland.

Sheriff Lawson and deputies were busy last night serving subpoenas upon 54 men from whose number it is expected to secure the remaining jurymen.

The trial will probably last all week and is expected to be one of the hardest fought in the history of the Greenup courts. County Attorneys S. S. Willis of Ashland and Floyd Bird of Catlettsburg and the defendant's interests are being closely guarded by Judge Kinkaid of Catlettsburg, Attorneys Young of Morehead, Martin and Zerfoss, of Ashland.

It is understood that the defense will put up the plea that Hammond shot Officer Frank by mistake. It was said at the time of the shooting that Officer Hightchew was the man Hammond was after.

Noted Shoe Men Are Visitors Here

Officials of the Selby Shoe Co., Monday entertained two of the most conspicuous figures in the retail shoe trade in this country, Louis Frazin and A. M. Oppenheim, whose firm of Frazin and Oppenheim is known all over the world.

Until the financial depression of 1907 they operated 33 of the largest retail shoe stores in Chicago and New York. When the depression came the firm got into financial distress and was eventually forced into involuntary bankruptcy. They are hustlers from the ground up and are back on their feet. They are now operating successfully a big store in New York and one in Chicago. Gradually they are making up lost ground.

Mr. Frazin and Mr. Oppenheim were shown through the city by George D. and Mark Selby and they were greatly surprised. They were impressed with the hustling River City and particularly the congenial atmosphere, which pervades the old town. The two visitors departed Tuesday morning for Cincinnati.

REMARKABLE SCENES AT TRINITY SUNDAY

Trinity Methodist Episcopal church was the scene of a remarkable reception of new members, on Sunday morning. Four hundred and twenty-eight persons were received into full connection by the stirring pastor, Rev. W. C. Hartinger. The floor of the auditorium was reserved for the new members, but the space was not adequate, some of them being seated in the Sunday school room, the rest of the Sunday school room and the balconies were filled with spectators, mostly members of the church and congregation.

Before the taking of the obligations of membership one hundred and sixty-one were baptized by sprinkling, by the pastor, who had immersed about eighty on Thursday evening, and announced that there are more to be immersed.

After the obligation was taken the four hundred and twenty-eight passed in review before the pastor and received the right hand of fellowship.

A touching episode was the Chautauqua salute from the rest of the congregation to the new members; a response from the recipients of the first salute, then a unison of all the large audience in waving the white flags of the handkerchiefs to the angels in heaven, who were rejoicing over the event, while all sang "Blest Be The Tie That Binds."

In the evening service twenty-five more were received into full connection, leaving about two-hundred and fifty yet to be received, which will bring the total result of the Rev. W. A. Sunday meetings in Trinity to about seven hundred.

The addition of seven hundred to the eight hundred membership of Trinity before the late revival of the W. A. Sunday campaign places this church first in membership in the Ohio Conference.

ITCHING, BLEEDING ECZEMA WAS CURED

By Cuticura After 5 Years of Suffering Beyond Description — Thought Death was Near — Calls Cure Wonderful.

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment.

"I continued with the Cuticura Soap and Cuticura Ointment, and I have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address. Mrs. Altie Etson, 93 Inn Road, Battle Creek, Mich., Oct. 16, 1909."

Cuticura affords the most economical treatment for affections of the skin and scalp. [illegible] A cake of Cuticura Soap and box of Cuticura Ointment are often sufficient. Potter Drug & Chem. Corp., Sole Props., Boston, Mass.

Contract For Dam Is Let

The contract for Dam No. 29, which will be located near Catlettsburg, Ky., was awarded to The Sheridan-Kirk Co., of Cincinnati Monday. The cost complete will be about one million dollars. They will employ about 400 men and most of them will be selected around the work. The work will be completed in about three years. The contractors' fleet of towboats, barges and equipment will move at once for the dam site and work commenced as soon as the river conditions will permit.

Used New Track On the C. & O.

Maysville, Ky., Feb. 21.—Monday, for the first time, C. & O. trains run through over the new nine miles of track, just completed, from Concord to Crooked Creek, four miles east of Manchester, and the old track will be abandoned. Besides eliminating several very heavy grades, the new route shortens the distance about a mile.

TO BE TRIED ONCE MORE

Athens, O., Feb. 21.—The retrial of Thomas L. Cline, a member of the police force of Nelsonville, who is charged with the murder of John Lanning at Nelsonville on June 23rd last, began here Monday afternoon. The trial will probably be in progress several days, before reaching the jury. At the previous trial the jury disagreed. Cline is a former Portsmouth man.

Rosy as a Girl

Summit, N. C.—In a letter received from this place, Mr. J. W. Church, the notary public, says: "My wife had been ailing for nearly 12 years, from female ailments, and at times, was unable to leave the house. She suffered agony with her side and back. We tried physicians for years without relief. After these treatments all failed, she took Cardui, and gained in weight at once. Now she is red and rosy as a school girl." Cardui as a tonic for women has brought remarkable results. It relieves pain and misery, and is the ideal tonic for young and old. Try it. At druggists.

Coat Chains

There is a new coat chain for the watch at our jewelry store that is worth investigating. A button fastened in the lapel holds the watch, which is worn in the outer breast pocket. The particular beauty of this article lies in the handsome new pattern and finish of the chain, while the cost is a mere trifle.

BIKE RIDE FROM COAST TO COAST

...arrangements already made with the Columbia Bicycle Company do not miscarry, it is quite likely a Portsmouth boy, O. E. Wollery, will attempt to ride from New York City to San Francisco, pedaling a Columbia bicycle all the way, a distance of nearly 4,000 miles.

The event has only been accomplished once, but Wollery believes he will be able to make the trip and do it in considerable less time than accomplished by the successful rider. His father is willing to back him for any amount of money, while the Columbia people will cheerfully donate him a wheel.

Wollery is well able from a physical standpoint to make the trip and expects to announce in a few days when he will start.

Lima Situation Is Straightened Out

Columbus, O., Feb. 21.—Promoters and patrons of baseball in Lima, according to a message from there last night, came to an understanding yesterday for the continuance of that city in the Ohio State League. President Schoenborn and Secretary Quinn of the operating company made a trip to Lima and met with officers and leading members of the Lima Progressive Association, the "1 Will" organization of that city.

From what can be learned, the association agreed to adopt a very liberal way of showing the base ball men that the game is desired in Lima. It is said that officers of the organization pledged themselves to get back of a movement to place books of admission tickets in the hands of 1,000 Lima citizens.

After Lima men had declared their willingness to co-operate with the baseball company, President Schoenborn made the announcement that he will install a team in Lima that will be up in the race all the way. People there have unbounded confidence in his ability to do it in considerable less time than accomplished by the successful rider. His father is willing to back him for any amount of money, while the Columbia people will cheerfully donate him a wheel.

Every other city in the Ohio State League contains many people who will be glad to hear that Lima is to stay in the organization entered that city back in 1908. The company, of which Mr. Schoenborn is the head, has been of great service to minor baseball in Ohio, and it is fortunate that Lima citizens have recognized its worth.

Ball Co. Directors Will Meet Tonight

The directors of the Portsmouth Baseball company will hold a meeting this evening at the office of President William Gableman. A financial statement will be submitted to them and it is one of which they can well be proud, for it will prove conclusively that the funds were wisely spent and then the fact will be shown where the club came out handsomely on the right side of the ledger.

President Gableman stated, on Tuesday, that within a few days he would have an interesting announcement to make to the fans. It will be thinks, be able to give patrons of the game the names of the players who will oppose the Cobblers in 1911 and he feels at once he seen that the team will be the equal of the one that won the flag in 1910.

HANDIBOE IN THE A. A.

Columbus, O., Feb. 21.—Eddie Handiboe, who worked in the Ohio State League two seasons ago successfully as an umpire, and who last season was in the Carolina Association, has two good umpiring jobs in Erie and cannot take the one he desires. Handiboe, a few days ago, tiring of waiting on President Chivington, signed to officiate in the Western League. The same day Chivington sent him a contract at a much better salary, which he wants to accept. Handiboe is now busy trying to get President O'Neil of the Western circuit, to let him take the A. A. job. Handiboe has relatives here in Columbus, where he is very favorably known. It is suggested that he turn his Western League job over to Steve Kane, who is still "looking."

Caught By Baucus

An unknown man who gave his name as Lanson, was arrested by Special N. & W. Detective J. A. Baucus in the local yards on Monday night for trespass.

He is said to have been in the habit of loitering the switchmen and insisting on talking to them. Mr. Baucus thinks that in Lanson he has captured a hobo-legger, and it is possible that affidavits will be filed against him charging such.

Lanson is in the county jail.

Country Is Saved, Marion Gets Smith

Marion, O., Feb. 21.—Today a happy word was received from Monte Cross, veteran ball player and now manager of the Scranton team in the New York State League, conveying the information that Catcher Smith, whom Cross recalled, will be allowed to remain here.

Cross sent Smith, really a very dependable receiver, to Marion on an optional agreement. Last week a letter was received by the Marion management stating that as he had a chance to secure Noonan, a first baseman, from Bill Clymer for Smith, he (Cross) would like to have Marion return the player.

Although under no obligation whatever to return Smith, the local management decided to comply with the request even though it placed them in a very bad position. Smith's going left Marion without a single backstop of experience.

Today the following letter was received from the Scranton leader:

"Marion Baseball Company,

"Marion, Ohio.

"Dear Sirs:—Your letter at hand and in reply can only thank you for your good fellowship. On the strength of your being so good as to let me have back Smith, I am not going to take him away. I have purchased outright for cash the man I was to trade Smith for. You may keep Smith, and in the future if I can do anything for you, I am at your command. Thanking you again for your willingness and wishing you a most successful season, I am,

"Yours truly, Monte Cross."

"Scranton, Pa."

The local situation now looks somewhat better, as the digging to get a catcher will not be continued. Smith, according to Monte Cross, is a far better receiver than John Weinberg, who was sent to Portsmouth by Cross after Marion had refused to take him. Smith is much faster and fully as good a thrower, but unable to wallop the pill in the Weinberg way.

Bound to Get That Canine

Mrs. James Hayden refuses to give up in her effort to cause the killing of the St. Bernard dog that had bitten her boy recently. She again called up police headquarters Tuesday and complained. The dog belongs to Joseph Barry, of East Eleventh street, and is now somewhere in the country.

Attended Funeral

Engineer and Mrs. W. L. Bayless returned at midnight Monday from Odessa, Mo., where they were called to attend the funeral of Mrs. Bayless' brother, W. J. Fitch, who was accidentally killed while duck hunting.

The unfortunate man was crawling through a barbed wire fence, when the hammer of the gun was caught and the gun was discharged, the entire charge entering his body, killing him instantly.

Mr. Bayless states that the West is in the throes of an awful blizzard. When he arrived at Odessa the snow was nine inches deep and drifted as high as houses in some parts of the country. The thermometer was close to the zero mark.

A winsome baby son was born to Mr. and Mrs. A. H. Richardson, at their home, Fourth and Offnere streets, Tuesday noon.

Confirm Story

Members of the school board on Tuesday placed a confirmatory stamp upon the Times' story Monday that the hilltop was to receive another modern school building within the next year. They steadfastly, however, refused to give the location of the two sites already optioned.

It was learned from a semi-authoritative source that one of the sites is close to the new Timmonds addition. Asked about this rumor, two members of the board would neither deny nor affirm it.

It was officially stated Tuesday that no definite action would be taken until Senator Hudson's return from Columbus, and Albert Graf's return from Martinsville, Ind., where he is recuperating from an attack of nervousness.

The announcement that the board was going to erect a school building on the hill top created something of a furore with residents of this section.

Will Not Work Wednesday

An order was received from Roanoke Tuesday for all departments of the N. & W. shops at East Portsmouth to suspend work Washington's birthday, save the roundhouse and running repair forces.

Sunday School Reorganized

The Sunday school of the Central Presbyterian church was reorganized at a meeting held Monday evening.

C. Brehmer was elected superintendent, Frank Hauck, vice superintendent; Oscar Berg, secretary; Will Pressler, treasurer; Adam Barkel, chorister; Earl Brandel, pianist, and Oscar Brown and Harry Brandel, librarians.

Manager Russell To Leave The Sun

When Manager R. R. Russell opened his mail Tuesday morning he was greatly surprised to receive an offer as manager of one of the most important booking agencies in the country. It came totally unsolicited and Mr. Russell has given several days to consider it.

After the matinee Tuesday Mr Russell sent a long letter to Gus Sun at Springfield telling him of his chance to receive a most excellent promotion. It is not likely that Mr. Sun will step in the way to advance and the destinies of the Sun theatre will in all likelihood will be piloted by a new manager in the very near future.

Until matters are shaped up one way or the other Mr. Russell will not make public the booking agency, which has temptingly bid for his services.

RECEPTION FOR NEW MEMBERS

There is new activity in the German Evangelical church. All members are requested to be present at the Wednesday evening service. Part of the hour will be spent in song, prayer and testimony.

On Thursday evening a reception will be given to the new members and those who wish to unite with the church. All members, new and old, should be present. Let it be an evening of good fellowship. Preceding the reception on Thursday evening the pastor will give special instructions to all who wish to attend. New members will be received into full membership on next Sunday evening.

Home From Roanoke

N. & W. Engineers W. J. Foley and W. L. Bayless have returned from Roanoke, where they represented their various locals at a meeting of the officials of the Norfolk & Western Railway Co. Neither gentlemen would discuss what transpired at the conference, further than to say that they adjourned to meet the officials later. It has been learned, however, that the engineers are simply asking certain changes in the working agreement and have no quarrel with the company over a wage scale.

THEATRICAL

The Keyes Stock Co. opened a week's engagement at the Grand very auspiciously Monday night, the theatre being completely filled.

The opening bill, "The Girl of the Eagle Ranch" made a big hit. It was a clever story and was splendidly portrayed. The dainty Keyes Sisters put on two pleasing specialties while Chester A. Keyes presented a splendid negro monologue.

At the matinee Tuesday the company presented "That Girl of Mine." The attraction tonight is the "Two Orphans."

The company gives up the Grand to the Albambra minstrel Wednesday. It will go to Huntington and will put on "The Girl of the Eagle Ranch."

At the Sun.

"Fate" presented at this play house Monday night by Christine Hill & Co., is one of the best staged skits ever put on in this city. There's too much of the "I killee you" to understand what it is all about. There are four grown ups in the pretentious sketch which could be vastly improved if the members would pay a little more attention to their dialect.

Millar Bros.' Diorama, which arrived unexpectedly is a brand new feature and a good one. If you are a pictorial fiend don't pass it up.

Espe and Roth and Holman and Wonder are also on the bill. They will not bore you.

At the Majestic.

There is nothing startling about the bill presented at this theatre Monday, but is pleasing in the main and they were many hearty laughs.

Ruth Harold, who is none other than Mrs. Ruth Shober, formerly of this city, received an ovation from her friends. She sings nifftly and was repeatedly encored. She has a very sweet voice.

Deverse and Harry G. Van are real entertainers. Mrs. Deverne was hampered considerably by a treacherous cold. She is big and fat and jolly. She weighs 200 avoirdupois (and then some). She is not unlike Marie Dressler.

Caldwell and Pelton also sing. They won't surprise your vocal knowledge.

Sterling Bros., hand balancers and ring performers, open the show with a neat act of the kind. They do all the stock tricks and a few others.

The pictures are fine.

"The Smart Set," one of the best colored organizations on the road, was booked Tuesday by Manager Higley for an engagement on March 17th."

Mark Lea and his Aviator Girls recently at the Sun are flying high in Hamilton this week.

It was "Off again gone again Finnegan" with Mill Bros., Monday. They left the Sun circuit at noon. The alliance was severed in Columbus. Then following a confab over the phone with Mr. Sun. A new deal landed the act for ten more weeks and much to Manager Russell's surprise it came in Monday evening just when he was deeply lamenting the fact that he had only three acts when opposition looked the strongest.

Henry Hall has already left the cast of "The Zebra." His part was not to his liking and he is again jobless. Mr. Hall's proper sphere is in an English comedy of the "Man From Home" variety.

"The Chocolate Soldier" whose tuneful score has captivated New York audiences for almost a year, will be in Cincinnati next week.

The Wills Comedy Co. left on Monday for Nelsonville.

The new Family Theatre in Cincinnati, built where once stood the famous Majestic cafe, was formally opened Monday. It has a seating capacity of 1200 and cost $125,000.

Matheweson and Meyers, who are in Cincinnati this week will leave Sunday for Marlin Springs to joint the Giants.

Nat Goodwin will be in Cincinnati next week. A friend of Nat's asked him a few days ago if marriage wasn't an inspiration. Nat sagely replied that with him it had been an occupation.

Over in New York the theatrical folk is dippy over Vida Whitmore's dance and soul kiss in "The Balkan Princess" and "Nobody's Daughter" at the New theatre. They have aroused Broadway from its apathy. Miss Whitmore, who is a beautiful woman in the kissing orgy wears a gown that the bald heads have dismissed in one word, "great." It is a short-skirted affair and Vida doesn't wear any hosiery.

"Nobody's Daughter" puts "Sapho" and "Three Weeks" to shame.

The Wills Comedy Co. played to over $500 at the Majestic the past week. This means that 8000 persons crowded into the theatre to see the two bills.

Elsie Janis has turned playwright. She has written a play called "The Course of a Star." It bears the O. K. of Her Highness Mother Janis. There is class to Elsie's "royal mother."

How we Americans do love to idolize heroes. John L. Sullivan played to $6000 last week at the People's theatre in Cincinnati.

MRS. MILLER GRATEFUL STORY WAS PRINTED

The Times on Tuesday received a letter from Mrs. John R. Miller, 807 Central avenue, Newport, Ky., whose remarkable confession in Saturday's Times, caused such a sensation here.

Mrs. Miller is well remembered about the city. In her youth she was a very prominent and popular young woman and many friends remember her as a bright, cheerful and unusually talented girl.

In her letter received Tuesday, Mrs. Miller says:

Dear Sir—Just want to tell you how glad I am and how I appreciate the kindly spirit that prompted The Times force to place my message before the people of Portsmouth. A sweeter bit of charity it may never be your lot to hand out to any one in this world. It showed me that at least there were some people in this old world who could understand the truth of my humiliation.

In printing the whole story, you did as I wished, I'm not sorry, I prayed Saturday night while I thought the papers were being taken from home to home by the bright little carriers, that when each paper was opened and read by the people in their homes, that they would each and every one read it, and treat it with the spirit in which it was sent to them, asking mercy and forgiveness.

The Lord heard my prayer for already I have had sweet, sweet words of sympathy and hope. I thank you and may God bless you is my prayer and hope. I think next to my bible, I shall love the Daily Times best of all. You don't know what it did for me. Thanking you again for your interest and kindness in this matter, I remain.

MRS. J. R. MILLER.
807 Central Avenue,

Perils of Marriage.

Young married people have many obstacles to overcome before they reach the smooth pathway which experience will provide. The young housewife finds her most difficult problem in keeping things "ship-shape" for "hubby" returning from his day's endeavors.

Hewitt's Easy Task soap, pure and white, lessens her labors one-half and gives the sparkle and glow to the china, glassware and silver which gives an impetus to the appetite of a man who has forgotten this most important matter in his every-day toil. Try it at five cents a cake. Just as cheap as "cheap" soap.

Finishing Up At B. & O. S-W.

A force of B. & O. S. W. carpenters and painters arrived here from Chillicothe Monday to put finishing touches to the company's local improvements. A new glass door will be placed in the main entrance of the freight house. A large wooden sign will also adorn the roof of this structure.

Will H. Doerr, of the firm of Doerr Bros., left Monday on a week's trip to various points in Southern Ohio.

"Dr. Miles' Nervine Completely Cured Our Little Boy of Fits."

A family can suffer no greater affliction than to have a child subject to fits or epilepsy. Many a father or mother would give their all to restore such a child to health

"I am heartily glad to tell you of our little boy who was completely cured of fits. He commenced having them at 10 years of age and had them for four years. I tried three doctors and one specialist but all of them said he could not be cured, but Dr. Miles' Restorative Nervine and Dr. Miles' Nerve and Liver Pills made a complete cure. He is now hale, hearty and gay. It has been three years since he had the last spell. I shall give Dr. Miles' medicines praise wherever I go. You are at liberty to use this letter as you see fit and anyone writing to me I will gladly answer if they enclose stamp for reply."
F. M. BOGUE, Winfield, Ind.

Dr. Miles' Nervine

is just what it is represented to be, a medicine compounded especially for nervous diseases, such as fits, spasms, St. Vitus' dance, convulsions and epilepsy. These diseases frequently lead to insanity or cause weak minds. Dr. Miles' Nervine has proven most effective in relieving these dreaded maladies.

KNIGHTS OF ST. PAUL MET MONDAY EVENING

A class of twelve young men were initiated by the newly formed Knights of St. Paul in the basement of Trinity church Wednesday night. The newly added class swelled the membership of the organization to forty. Prof. W. D. Gilliland, principal of the High school and Prof. W. R. Robe, the manual training teacher, were among the candidates. Another class of sixteen will be admitted next Monday night.

The Knights of St. Paul are a social organization of Christian young men formed for the purpose of uplifting character and making a study of the life of the great Apostle. Its officers are negotiating for permanent quarters and have several good sites in view.

Piano Man Still Pounding Away

Prof. Roy Foley, who claims to be the world's champion endurance piano player, and who is the musical director for the Keyes Sisters, is still giving a sample of his prowess at the R. P. Seiler music store on Chillicothe street. He expects to play at the Seiler store every day this week and he never once takes a rest. He began playing at 10 o'clock Monday morning and the Nixon piano upon which he plays has been grinding out tunes incessantly ever since. He does not stop for meals, even playing continuously until 7 o'clock p. m. when he goes to the Opera House and presides at the piano for the Keyes Sisters. He states that his record of 51 hours and 20 minutes of continuous playing, has never been equalled. He made this record at Ft. Wayne, Ind., a little over 3 years ago.

Pike Co. Fair Board To Have A Meeting

Waverly, O., Feb. 21.—The stockholders of the Pike County Fair Company will meet tonight in Mayor Charley Vallery's office to hold the annual election of officers and to transact some left over matters.

It has been persistently rumored for several days that stewards of the fair company are quietly laying plans to go after part of the state funds allowed by the board of agriculture, and which now goes to the Piketon Fair Company. The Piketon officials have the appropriation lined up for this year, but it is 1912 that the local company is figuring on.

It was hinted Tuesday that the Pike County Fair Company could not obtain any of the state funds, owing to the way it is incorporated, and that at tonight's meeting the company would be dissolved and reincorporated in a few days along lines that would put them in the eligible list to go after some of the state funds. Piketon officials last year received $600.

The Pike County Fair Company has lost money and radical action is anticipated at tonight's meeting. Every stockholder received a card urging his presence.

STRICKEN BY PARALYSIS

Word was received here Monday that M. G. Allen, an old soldier, living on Duck Run, suffered a stroke of paralysis Saturday and is now reported to be laying in an extremely critical condition. The stroke affected his entire left side and it is feared will result fatally.

Cold Breaks In Few Hours

It is a positive fact that a dose of Pape's Cold Compound taken every two hours until three consecutive doses are taken will cure Grippe or break up the most severe cold, either in the head, chest, back, stomach or limbs.

You distinctly feel the cold breaking and all the disagreeable grippe symptoms leaving after the very first dose. It promptly ends the most miserable headache, neuralgia pains, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose mucous catarrhal discharges, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine, made anywhere else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or bad effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

SAM BALDWIN HEARD FROM

Clarence Nodler is in receipt of an interesting letter from Sam Y. Baldwin, who was recently transferred to Sioux City from Dayton by the Mutual Life Insurance Company.

Mr. Baldwin has a suite of offices in the Iowa building, and he is eminently pleased with his new surroundings. He met George Andres several days ago and stated in his letter that George Andres was handing out cigars in one of the swellest weed shops in that goshdinged town. Mr. Baldwin says everybody in Sioux City is a friend of "Andy," as Andres is popularly known. He is building high hopes on Walter Miller and Dicky Breen, whom he secured for his club.

DEBILITY AND RHEUMATISM

This Maine Woman Was Cured of Both By Dr. Williams' Pink Pills and Is Enthusiastic in Her Recommendation of The Remedy.

Whenever the blood becomes thin and watery or impure the whole system suffers, energy is lacking, vitality is low and the victim falls an easy prey to any disease which happens to be prevalent.

To keep the system in normal condition, the appetite good, the step vigorous, the brain clear and the muscles strong, a tonic is sometimes necessary. With the body thus toned up and the organs in tone there is a greatly reduced danger from prevalent diseases since the germs are overcome and passed off as nature intended they should be.

The tonic used should be efficacious and at the same time safe and harmless for the weakest constitution. Such a remedy is Dr. Williams' Pink Pills. The experience of Mrs. James F. Meynell, of Sullivan, Me., with this blood making medicine is given in her own words, as follows:

"My reason for recommending Dr. Williams' Pink Pills to others is that they saved me from a long illness and probably from consumption a few years ago. When teaching a country school I became so completely run down that I could not attend to my duties. My appetite failed me and I became so weak that it was with great difficulty that I could walk upstairs. I had palpitation of the heart and was short of breath. I also lost in weight.

"The people with whom I boarded recommended Dr. Williams' Pink Pills. I gave the remedy a trial and soon felt my strength returning. In a short time I was perfectly well.

"About three years ago I again took Dr. Williams' Pink Pills. YOU CANNOT BE SAVED OUTSIDE THE CHURCH DECLARES EVANGELIST

Interest in the evangelistic effort at the First Christian church continues unabated. On Monday evening the main auditorium of the church building was comfortably filled and undivided attention was given Evangelist Violett who spoke on the subject "Is a good man saved outside of the church." Evangelist Violett, holding up the life and experience of Cornelius, who was a devout, praying man, answered the question in the negative.

Leading up to a discussion of the question, Mr. Violett said that God was specific in all his commands, and that never expected the people to fully understand all the bible. However, Mr. Violett said, "There is one part of the bible that is not hard of understanding and that is the part relating to man's duty when it comes to accepting the plain, simple gospel plea. The trouble is with man—he is continually waging a relentless warfare against doing the very thing required of him by God."

Rev. Violett talked on his own conversion. He stated "that he had followed man's version of the plan of salvation and was left in doubt. For weeks he prayed, but secured no relief. Finally a man placed a bible in his hand and by studying the same he was convinced that he had gone about the matter in the wrong way. At that it took him ten months to make up his mind to take God at his word. When he finally yielded, however, and did what the bible commanded him to do, he found himself in the ark of safety."

"The most difficult thing in the work of an evangelist," said Rev. Violett, "is to get men to believe that God means what he says—no more and no less. One difficulty is that man wants to philosophize on what God might have done or what he might have meant. When men decide to take God at his word and do those things required of him, then you will see this old world falling back and giving the plain simple gospel plea a clear track."

"The only thing that will save some men when they reach the judgment bar, is for the Lord to look upon them as the law did on Harry K. Thaw, and pass them in on the theory that they were theologically insane," was one of the Evangelist's plainest statements.

Rev. Violett said that every man outside the church was a lost man. "And by church I mean exactly what I say," continued the evangelist. "There is a difference between the church and a sect—the church is ordained, established and ruled by God, the sect is of human origin, and governed by man made ordinances."

The evangelist said "the very same thing that it takes to save a man it takes to put him into the church."

Talking about Cornelius, the speaker declared that while he was a God fearing, charitable citizen, he was not saved until he had been brought into the church. If he was, why did God send the Apostle Peter to him to unfold the gospel. The man outside of the church stands no more chance of being saved than the man outside of the ark during the flood."

Rev. Violett made an eloquent plea on behalf of the sinners and at the close of his address, nine persons came forward and made the good confession. Rev. Meacham baptized a score or more.

The revival will continue throughout this week and probably next. The church is being bountifully benefitted through the meetings and Rev. Violett has stamped himself as being one of the most convincing speakers that ever occupied a pulpit in this city. He announced that on next Sunday night he would talk on the subject, "The Old Time Religion."

"Peggy" Moore, a shoeworker, who has had charge of a pullover machine at the Selby factory, has given up his job and will return East.

Organization Was Delayed

W. J. Henry returned Monday morning from Waverly, where he preached to a large crowd in the Presbyterian church building. He went to Waverly in the interest of those members of the Christian church who reside in that place, and was in hopes that a church organization would be perfected, Sunday. However, as there may be some difficulty experienced in securing the Presbyterian church building as a regular house of worship, the organization was deferred for four weeks. If the members cannot get the church building, they will probably rent a hall or secure permission to hold services in the public school building.

ORIGIN OF Pinkham's Blood Purifier

Lydia E. Pinkham, of Lynn, Mass., succeeded in producing, from the roots and herbs of the fields, Lydia E. Pinkham's Vegetable Compound, the most successful medicine for women's ailments the world has ever known. After she had put this on the market, women began to write her about their health, because they felt a natural delicacy about consulting any man physician regarding these ailments for which the Vegetable Compound is intended.

She soon found that her correspondents often had complications caused by impure, impoverished blood, and she recognized the necessity of having a reliable blood purifier which she could recommend with confidence as

The Best Spring Medicine

Then, as now, there were many blood purifiers and spring medicines on the market, and after looking into them, she found nothing so good as the old home medicine made from roots and herbs, which she had been accustomed to use in her own family, so she had this made up on a large scale, and furnished it to the stores. It has been very little advertised, but has attained a large sale solely on its merits, and is really a wonderful blood purifier and spring medicine.

It is a good, old-fashioned household remedy made from roots and herbs, which has been used from generation to generation for purifying the blood, removing humors and eruptions, and for that all "played out" feeling.
